Dear Mr. Bennett,

I just wanted to thank you once again for the grant from the Livonia Community Foundation to provide seven performances of the Michigan Opera Theatre's, *The Night Harry Stopped Smoking*, to seven Livonia Public Schools elementary schools. I have heard great responses from the students, teachers and principals regarding this program. I am glad that you were able to view a performance this year. As you could see, the performance was informative, appropriate and well received by the students.

I am attaching a list of the schools that received the program this year and the past two years. Over the past three years, nineteen Livonia Public Schools elementary schools have been privileged to view this program.

We thank you for the grant that makes these performances possible. It is our hope that we might be able to continue to work with you in the near future if other opportunities arise.

Once again, thank you for supporting Livonia Public Schools.

Sincerely,

Melodie J. Provencher
